Brand
Guidelines
2020

We help growing small business' find
their voice through **integrated
marketing, branding, and design
across digital platforms.**

We are an eclectic group of designers, marketers, and social media gurus. We are approachable, fashionable and unapologetically us.

**D.M.
Burton**

Our clients work in all industries
and are just as diverse as our team.

We are at the
forefront of
**culture, media
and technology.**

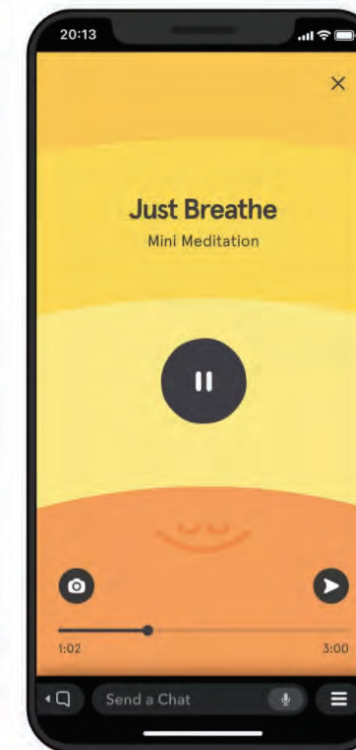

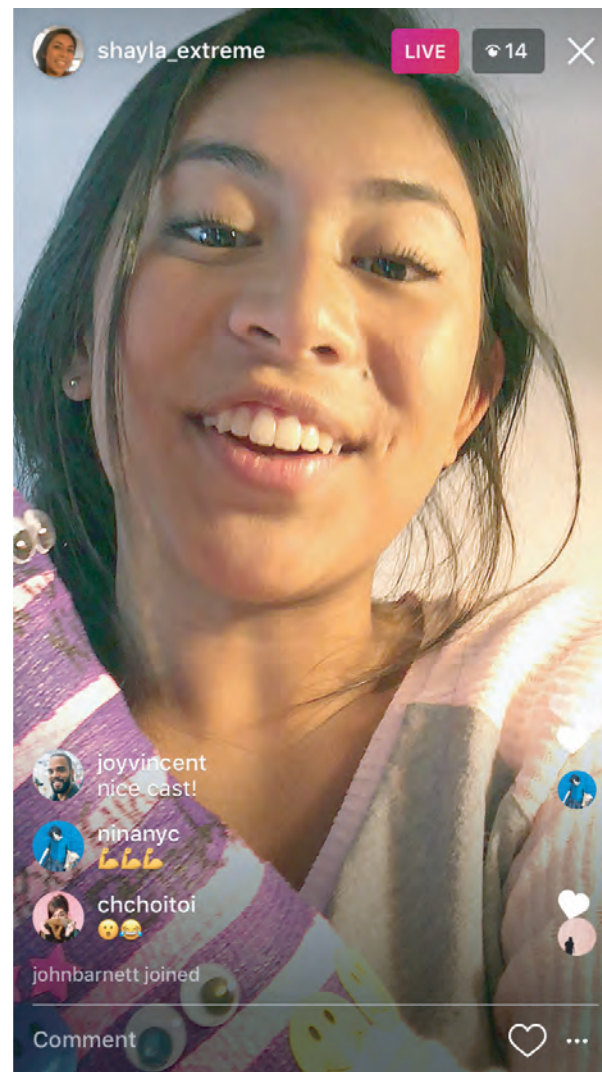

We don't just partner with our clients,
We are active community members, activists,
and vocal about who we are and where we stand.

**We don't just follow trends,
We help create them.**

Me: 2020 is gonna be a great year!
